Alesis

Alesis Studio 32? I found an Alesis Studio 32 at a local record store and I think I can talk the price down to about 300-400\$. The parametric eq with a que control seems nice and there are a lot of features that I would hope for on a studio console like direct out and an inline design.

Mixers - Alesis

i have an alesis studio 24 that I want to use to do some recording and some live performances. Am I going to need a separate speaker amplifier in order to power my PA speakers and monitor speakers... or will the studio 24 have enough juice for one or the other etc.. sorry it is such a basic question. i must not understand the term preamp . 03-31-2003 #2. In either case, the Studio 24 packs a lot of power into a small package, and we wrote this manual so that no matter what your background is, you can get the most ...

Alesis STUDIO24 User Manual

In some ways the Alesis HD24 looks rather basic compared to some of today's hard disk recorders, but it offers up to 24 tracks of 24 bit recording at 44.1kHz or 48kHz (or 12 tracks at 88.2kHz or 96kHz with the addition of a forthcoming optional converter card).
