The field of gifted
education is characterized
by a confusing array of
perspectives concerning such
fundamental issues as

Read Free Characteristics Of Gifted Children C Ymcdn

definition, philosophy, curriculum, social and emotional development, and underserved populations. The mission of this book is to provide a coherent framework that instructors and service providers can use in

Read Free Characteristics Of Gifted Children C Ymcdn

planning effective programs, providing appropriate counseling services, and evaluating programs for the gifted. Most sections are organized around fundamental issues confronting the field and follow a common

Read Free Characteristics Of Gifted Children C Ymcdn

structure: an introductory chapter that provides historical and theoretical background and organizing questions followed by several point-of-view chapters written by experts that provide varied

Read Free Characteristics Of Gifted Children C Ymcdn

perspectives on the topic at hand. Distinguishing Features Comprehensive Coverage – The book's forty-five manageable-length chapters cover the full range of topics that must be considered in planning

Read Free Characteristics Of Gifted Children C Ymcdn

programs and services for
gifted students both within
and outside of school.

Coherent Structure – Section
introductions provide
background information and
organizing questions to
guide chapter authors who

Read Free Characteristics Of Gifted Children C Ymcdn

provide varying views of the issue at hand. The emphasis is not on the "right way" or the "wrong way" (except when clearly documented bad practice is discussed), but on how best practice stems from well-informed and

Read Free Characteristics Of Gifted Children C Ymcdn

logical decision-making.

Decision Making Focus – The book's introductory chapter addresses the need for a clearly developed and consistently applied set of values to guide decision making. Likewise, each

Read Free Characteristics Of Gifted Children C Ymcdn

section introduction
includes a decision making
framework regarding some
aspect of educating,
counseling, or parenting
gifted students. This book
is appropriate for
introductory level courses
