David Bellamy has a tremendous following among amateur painters and in this book he shows the reader how to paint his favourite subject - wild landscapes.

David Bellamy is perhaps best known for his watercolor portraits of exotic landscapes, and in this instructional handbook he shares the secrets behind some of his finest works. Both a practical and an inspirational guide to painting mountains, deserts, jungle, gorges, and other wilderness areas, many tips and techniques for watercolor painting are provided along with hints for capturing the right mood and light. Guidelines are also offered for armchair artists who enjoy painting wilder landscapes but who don't want to or cannot trek into the wilderness.

Renowned watercolourist, David Bellamy shares his passion for painting mountains and moorlands in this inspiring and practical book. There is advice on finding subjects and painting trees, water, rocks, crags and buildings, as well as an in-depth look at the painting techniques required. David's extensive travels mean that mountains and moorlands from all over the world appear in the paintings.

David Bellamy tackles the popular painting subject of the sea and coastline, mainly in watercolour, but also in pastels and oils. A practical guide to painting coastal and marine scenery in watercolour, oils and pastels this book contains many tips and techniques for artists of all levels but starts with fairly simple scenes, graduating to more complicated ones. Most of the landscapes are from around the British Isles, but there are also be paintings of coastal scenery in Italy, East Africa, Greece and Iceland.

Developing Your Watercolours is a practical, structured course for watercolour painters with some experience – continuing where the very successful Watercolour Landscape Course (published in 1993 and reprinted 7 times) left off.

Watercolour landscape expert and renowned author, David Bellamy, has a particular liking for winter subjects, since the landscape at this time is not overwhelmed with green. Here he shares his expertise in capturing winter scenes, from how to wrap up and do rapid outdoor sketches to capturing mist, late autumn colours, bare tree trunks and various types of snow, through using rogue colours, making the most of low lighting and introducing early spring elements. There are four sections: late autumn, winter, deep mid-winter and early spring, and four beautiful step-by-step projects.

Renowned watercolourist David Bellamy shares his passion for painting seas and shorelines in this inspiring and practical book. There is advice on finding subjects and painting the different moods of the sea; rocks, crags and cliffs; adding figures and animals into your artworks; as well as an in-depth look at the painting and sketching techniques required. David's extensive travels mean that seas and shorelines from all over the world appear in the paintings.

Provides more than three hundred step-by-step photographs, instructions, and finished paintings in a comprehensive introduction to watercolor that introduces basic techniques as well as next-level methods for creating composition, perspective, and texture.

Provides more than three hundred step-by-step photographs, instructions, and finished paintings in a comprehensive introduction to watercolor that introduces basic techniques as well as next-level methods for creating composition, perspective, and texture.

Master artist and bestselling author David Bellamy shares his ideas, approach, and techniques to painting the landscape all year round. A revised and expanded edition of David Bellamy's Winter Landscapes in Watercolour, this book moves the scope from a focus on winter exclusively to looking at each season in detail. Over 96 pages, bestselling author and artist David Bellamy covers the opportunities, challenges and surprises each season offers the landscape artist. The book covers gearing up for working outdoors, techniques for seasonal effects such as rendering hoar frost on trees, misty and atmospheric effects, injecting rogue colours to add excitement to your work, how to tackle a variety of tree branches for different species, depicting light branches against dark backgrounds, altering the composition to suit your needs, and so much more.
