A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.

The New Wider World Coursemate for Edexcel B GCSE Geography provides summaries of key content and key ideas to support Edexcel's 2001 Geography B specification.

This book provides a practical illustration of the skills, knowledge and understanding required to teach in the secondary classroom. As well as discussing concepts and ideas, the book gives a critical examination of some of the key issues, and will encourage the reader to engage with the ideas and consider their views and beliefs. It is an invaluable resource for those who are learning to teach or for those teachers who wish to reflect on their teaching practice.

These revision guides are the ideal complement to Heinemann 16-19 Geography. Separate books for AS and A2 provide the right level of support and exactly cover the information and skills students need to succeed.

Reinforce students' geographical understanding throughout their course: clear topic summaries with sample questions and answers help students improve their exam technique and achieve their best. Written by a teacher with extensive examining experience, this guide: - Helps students identify what they need to know with a concise summary of the topics examined at AS and A-level - Consolidates understanding through assessment tips and knowledge-check questions - Offers opportunities for students to improve their exam technique by consulting sample graded answers to exam-style questions - Develops independent learning and research skills - Provides the content students need to produce their own revision notes

Part of a geography course which has been specially written for the National Curriculum and is based on the statutory requirements, this teacher's resource guide accompanies a pupil's books which aims to provide full coverage of all topics, issues and skills for GCSE. The course caters for a wide ability-range, with extra help for average and lower-ability pupils. The material is presented through thematic topics which include specific case-studies and area-studies, and environmental issues are integrated throughout.

Endorsed by Edexcel [subject to approval], this is the revision book for students following Edexcel GCSE Specification B. It is clear and concise, easy to use, and competitively priced. It gives students clear guidance about the case studies and concepts they need for all the core and optionunits, revision activities and questions for each unit, information about the exam format and how answers are marked, and help in preparing for the decision-making paper.
