A pace ahead of the play can send you back to the start. And put everything you've worked for at risk. Single mother and submissive Rebecca Bower abandoned her career as a sports reporter to become a media consultant with her brother's hockey team. A failed marriage to a selfish man makes her wary of getting involved with another. Unfortunately, chemistry is hard to deny, and all her hormones are dancing when she gets close to the Cobra's sniper, Scott Demyan. Zachary Pearce 'came out' to the world last season to shift attention away from a teammate. And his one night with Scott Demyan had been unsettling. There could be more there, if only Scott was a different person. Instead, a night of sensual BDSM play with Becky leaves him wanting more, but she thinks he's gay and questions his interest. It's been a long time since a woman has attracted him both as a man and a Dom, and he'll do everything in his power to prove she's the only one he needs. Or wants. His one time with Scott was a mistake. Scott might have forgotten what happened in his childhood, but the effects linger, and he specializes in drunken one-night stands...until he meets Zach and Becky and sees what he's missing. But neither one believes Scott can be faithful. Although he's trying hard to clean up his act to avoid getting kicked off the team, they want more from him. He's willing to make changes, but the most important one—putting their happiness before his own—means he'll probably end up alone.

The only role of Rosemary's nest of men is to feed her insatiable hunger, but that's not what she wants for them. Or what they want from her. While Rosemary presses for them to live their own lives, they each find ways to steal into her heart. With the threat of her mother's nest hanging over them, Rosemary decides to surrender to the love they offer and focus on building their combined strength to stand against the inevitable attacks. When her control over her powers slips, another problem arises. The nest is incomplete. A prince must be chosen, and if he is not among her men, she'll be forced to let one of them go. She once feared her heart wasn't big enough to hold them all. Now she fears she's not strong enough to release even one. Even if it costs her her life. Includes Bonus Short Story "Rosemary & Mistletoe" After surviving a battle with her mother, Rosemary is excited about her nest's first Christmas together. She has grown to love all seven men, even more than she needs them to feed her hunger. When they surprise her with a trip, just her and her Prince, she refuses. But does she really want to fight against the seven men who know not only what her heart wants, but also what she needs?

The one time geeky high school teacher, Rupert 'Rip' Martinez, tries to play the hero, it almost costs him his life. Maybe he should leave the rescuing to

the tough guys, like the man who saved him, Otto Shriver. Tattoos, dog tags, and a heart of gold, Otto is exactly the type of man Rip would go for. In his dreams. When socially awkward meets carefree and confident, it's probably best they go their separate ways. Their only excuse to ever see one another again is an adorable pup in need of a good home. Unless they really don't need any excuses at all.

Gage Tackett comes off as a bad boy—detached and maybe a little dangerous. Definitely not Vet Sciences Professor Derek Paulson's type. When Gage arrives at Derek's veterinary clinic with a frostbitten stray dog, Derek realizes his most difficult student has a few things to teach him. Things he's more than willing to learn.

The game has always cast a shadow over Oriana Delgado's life. She should hate the game. But she doesn't. The passion and the energy of the sport is part of her. But so is the urge to drop the role of the Dartmouth Cobra owner's 'good daughter' and find a less...conventional one. Playmaker, Max Perron, never expected a woman to accept him and his twisted desires. Oriana came close, but he wasn't surprised when she walked away. A girl like her needs normal. Which he can't give her. He's too much of a team player, and not just on the ice. But then Oriana's father goes too far in trying to control her and she decides to use exposure as blackmail. Just the implication of her spending the night with the Cobra's finest should get her father to back off. Turns out a team player is exactly what she needs. Warning This ebook contains material not suitable for readers under 18. In also contains scenes that some may find objectionable, including BDSM, menage sex, bondage, anal sex, sex toys, double penetration, voyeurism, edge play, and hockey equipment being used inappropriately."

The game isn't over. Every win has cost the Dartmouth Cobras, but one family has paid more than any to see the team succeed. Including their control over the franchise. Which means the future of the team is out of their hands. Ford Delgado, heir to the dwindling Delgado fortune, sold the team to save it, but a legacy of deceit and crime puts everything he and his sisters fought for at risk. As a family, their bond has grown, but the threat of losing the one thing they share may tear them apart. Lorenzo Keane, owner of the Dartmouth Cobras, faces the most difficult decision of his life. This team has destroyed one family, and he won't risk his own to save it. But his passion for the game makes abandoning his place in the Dartmouth Cobras legacy one of the most difficult choices he'll ever have to make. A losing streak might mean more than a short season. The team's fate rests in the hands of a man with more to lose than a game. Unless Ford can make a new deal. One that will have his family coming out on top. His methods might leave something to be desired, but he'll stop at nothing to bring home a win. He is a Delgado, after all.

Not all fights are one on one. In a team, no man should stand alone. 'You can't keep me.' Shawn 'Easy' Pischlar has given his speech so often, it should be written on the white board in the Dartmouth Cobra's locker room. Too many of his own teammates have heard the words. And the games he's played are finally catching up to him. To hang on to his freedom, Shawn gave up on ever having someone to call his own. A young woman who expects nothing from him slips into his life and has him ready to toss the rulebook. While the man he loves tempts him to burn it. Keeping them both would be easy, only...caring about them isn't. Because when he lets himself care, he remembers why he wrote the rules in the first place. Every lover, from the casual, to those who steal a piece of his heart, shouldn't expect more than pleasure. More than passion. Playing the game, on and off the ice, is his whole world. One he isn't ready to change. Except, life doesn't stop for the game. And when old scars are ripped open, and he's left bloody and beaten, the rules won't help him put the pieces of his life back together. To win this fight, he'll have to break each and every one.

Cortland Nash fled Dartmouth to avoid arrest, but returns when his best friend, Ford Delgado, is in danger. Cort plans to keep his head down and do whatever it takes to keep Ford breathing, but when he finds a beautiful young woman out in the snow, frozen in fear, his plans change. Akira Hayashi never thought she'd overcome her fear of men, but the care of an experienced Dom helped her achieve so much more. There's nothing she can't do—except function when she's mugged in a parking lot. The intimidating stranger who rescues her makes her feel things she never thought possible. The only problem is his connection with Ford, a man she'll hate forever because she refuses to feel anything else. With the constant threats from the crime lord he once called "Dad," Ford Delgado has no room in his life for love. Unfortunately, Akira already has his heart—which is split in two when he discovers Cort is dating her. He tries to move on, to grow as a Dom, and free himself from Kingsley's criminal empire. To forget what Akira means to him. But the last thing she needs is for him to let her go.
